### *Exceptional Woman New to Toronto*

Our company represents an extremely attractive, intelligent, articulate lady. She is thoughtful, feminine, successful yet down to earth. Warm, passionate, fit, energetic, attentive and considerate. She is sophisticated yet fully at ease and playful. Her many and varied interests include the norm (music, dining, dancing, entertaining, fitness) and virtually all spectator sports, fishing, billiards, chess and traveling off the beaten track. She is a sincere, caring, happy, generous, adventuresome and positive person.

Our client is interested in meeting a man, perhaps Jewish, who is sensitive, romantic, quietly powerful, eloquent, thoughtful and emotionally secure. Quick-witted, confident yet humble and successful in his own right. A man of integrity, perspective and genuine values. A real "nice guy" who might also share her sentiments about their next "date" being their last, and perhaps like some of you gentlemen reading this, could use a great big hug right about now. If you are sincerely ready to meet a lovely and very unique lady, put your seatbelt on!

Preferred age range - 50 to 60

If you are looking for a lifelong partner and would like to see if exceptional lady is for you, please Email or call quoting #9718 for a personal interview with Ruth Claramunt.
