

Jane Carstens
The Matchmaker

Our company represents an attractive, positive, intelligent, enthusiastic, successful Jewish woman who is currently searching for a partner to share her active and interesting life.

An adventurous spirit with a love of laughter, she is physically fit, enjoys attending the gym, hiking, tennis and spending time out in nature. She also enjoys dining out, adores the performing arts, dancing and loves to entertain at home sharing great food with family and close friends.

She would like to meet a successful 50+ Jewish gentleman who is intelligent, spontaneous and has a great sense of humour. He should have an interest in travel and share her passion and enthusiasm for life.

If you are a kind, caring gentleman and believe our client matches your interests, please write, fax, call or email quoting #J0304 for a personal confidential interview with Jane Carstens. (fees are paid for by this client)
